

REMARKS

The Examiner Thanh T. Nguyen is thanked for carefully examining and reviewing the subject Patent Application. The Applicants appreciate the consideration given in the Response to Arguments Section, concerning the Applicants arguments filed 3/30/05, and all the Examiner's kind suggestions.

Independent claim 23 and dependent claim 25 are currently amended, to better show certain features of the Applicant's invention. Claim 26 is now canceled. In an earlier office action, claims 1 - 22 were canceled by the Applicant, and non-elected claims 28 - 41 were withdrawn and canceled.

With the entry of this response to the Final Office Action, claims 23, 24, 25, and 27 are now considered to be in condition for allowance, and allowance is so requested.

FINAL REMARK

The Examiner Thanh T. Nguyen is thanked again for carefully examining and reviewing the subject Patent Application. With the entry of this response to the Final Office Action, claims 23, 24, 25, and 27 are now considered to be in condition for allowance.

Independent claim 23 and dependent claim 25 are currently amended, to better show certain features of the Applicant's invention. Dependent claim 26 is now canceled.

All rejected claims 23, 24, 25, and 27 are now believed to be in allowable condition, and allowance is so requested.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

It is requested that should there be any problems with this response to the Office Action, please call the undersigned Attorney at (845) 452-5863.

Respectfully submitted,
